

*Office of HIV Planning
HIV Integrated Planning Council*

MEMBER APPRECIATION DAY

*A Tribute to our members and their achievements
September 10th , 2026*

We sincerely thank all HIPC members for their invaluable service and commitment to educating and informing members of our community.

A few of our members have officially reached 8 years of service. But actually have over a decade of service through various iterations of what we now call HIPC.

LOOKING BACK ON THE ACCOMPLISHMENTS IN A DECADE OF SERVICE

- Integrating the CPG and the Planning Council to form HIPC, 2017
- Consumer Survey 2017 & 2021
- PrEP Work Group, 2018
- Transition to online (2020), then Hybrid meetings (2025)
- COVID Survey, 2020
- Successful submission of the 2021 & 2027 Plan
- Services One-Pager, 2025
- 4 Community Town Halls, 2026

OUR LONGEST SERVING MEMBERS

Thank You

WE INVITE YOU

To take a leadership role in our committees. As our senior members depart, we need people who will lead our communities as co-chairs.

If you know someone who is interested in joining HIPC, we are always looking for new members to better represent our communities.
