2021 IN REVIEW

New Coordinator

Completed RFP Cycles

- L-SHS (4 Sites Funded: 6 total in operation)
- nPEP (1 Site Funded)
- Status Neutral Testing (6 Sites Funded: 9 total in operation)

Partnered with TSIU to Revamp Prevention Education Offerings

Formalized Community Mobilization as a distinct service category (3 Organizations, 1 Major Conference Event)

Established the PrEP Update and AACO Prevention Update (Which is distributed to 500+ folks directly—including community individuals)

Merged Do You Philly with Keep on Loving Philly through collaboration with STD Staff

PRIORITIES FOR 2022

Ending the HIV Epidemic

- Continuing to accomplish tasks outlined in the EHE Community Plan
- Working with the EHE Advisor to Update the Community Plan

HIV Testing

- Updated Structure for HIV Self-Testing Program

Philly Keep on Loving

- Rebuild of PKOL with expanded focus on sexual wellness
- PKOL TelePrEP Program launch
- Expand Collaboration with STD, HEP and AACO

New Programs

- Creation of the first ever AACO Prevention Strategic Plan
- ASO Nonprofit and Workforce Development Incubator Program
- Reapplication of CDC Flagship Prevention and Surveillance (PS18-1802 Replacement)

Partnerships

- Better Collaboration between AACO units
- Partner with OHP and HIPC on HIV Integrated Care and Prevention Strategic Plan
- Continue to Partner with HEP and STD on joint social media efforts

Questions/Feedback
